THE LEDGER CODE

White streamer—FAIR;
Blue—RAIN or SNOW;

River News

The Henry M. Stanley will be up tonight for Charleston.

Captain Enos B. Moore, aged 80, died at his Portsmouth home Tuesday of apoplexy.

Divers are at work on the Mand Kilgore, and it is reported she will be up in a few days.

The City of Cincinnati lost her rudder Tuesday night in attempting to pull the Louisville off the Rising Sun Bar.

As a result of the collision at Louisville the Fulton's Pilot loses his license for 30 days and the Sunshine's for 10 days.

Marsh has missed it considerably in his weather predictions so far this month. He said there would be wind, cyclones, heavy rains and big rivers.

The Sprague as soon as she arrives at Cincinnati will go to the bank, and A. J. Schaaf, Chief Engineer of the Monongahela Combine, will superintend the work of placing new cylinders.

Good rains at headwaters were welcomed by river men and the indications are for more rain. There is now more coal loaded and waiting shipment in the harbor than there has been at this season for some time past. Nearly the entire fleet of the Monongahela Combine is in the harbor and the independent shippers have more coal loaded than for several years. If coalboat water comes the shipment will be larger than it has been for several years at this season.

FIERCE FLAMES.

Four Residences Burned Yesterday Noon in the Sixth Ward.

At 11:15 yesterday the residence of Mrs. Emma Limerick, 1240 East Second, caught fire, supposedly from a defective flue.

It was some time before the firemen could reach the place, and the furious wind prevailing soon swept the flames to adjoining property, and before the fire was gotten under control four residences and a small grocery store were in utter ruin.

The Limerick home was entirely consumed, with a loss of about \$1,200, the insurance being \$500. Most of the furniture was either burned or badly damaged.

Adjoining on the West the residence of "Squire" Fred Dresel was almost wholly destroyed, with a loss of about \$1,800.

The brick residence of Mr. Elsie Payton was slightly scorched and some glass broken. Insured.

Adjoining the Limerick property on the East was the grocery and residence of George Young. Both these were destroyed. Loss on grocery, \$300; no insurance. Loss on residence \$2,000; insured for \$800.

Next to this was the home of William Friston, a son-in-law of Mr. Young, whose house was valued at \$2,000, and which was totally consumed.

The wind was so violent, and swirled in such unexpected directions, that for a time great anxiety was felt for the big plant of the Ohio Valley Pulley Works, but fortunately it escaped injury.

The conditions were identical with those of the famous Forest avenue fire of several years ago, but the losses were not near so great.

Mr. Joseph Pomerville of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. If troubled with indigestion, bad taste in the mouth, lack of appetite or constipation give these Tablets a trial and you are certain to be more than pleased with the result. For sale at 25¢ per box by J. Jas. Wood & Son, Druggists.

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANDISE TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
